Further to our verbal conversation today. Ideally I would like to order and pay for your SkyHydrant water Filter in time to catch this container ex Melbourne to Dili. This way all the custom and handling charge are attended to by DIK

Also we are not sure of when the next container after this one will be.

Hi Frank,

At this time can we reserve space for the following items on the February shipment to Timor Leste.

- 4 MAX SkyHydrants 150 x 28 x 20cm each
- 2 GEM SkyHydrants 90 x 28 x 20 cm each
- 3 boxes of containing treatment chemicals 72 x 20 x 28cm (approx, each box containing 4 buckets)

Please let me know when you need them at your warehouse.

Regards

Brian
